INTERESTING GAME WITH HOPKINS MEDICS TOMORROW NIGHT

G. W. U. Wins From Maryland State—Game With C. U. Will Decide Title.

RETURNS FROM SALE OF TICKETS URGED

MANAGER MAKES LAST APPEAL FOR STUDENT SUPPORT, FINANCIAL AND MORAL.

The game tomorrow night at the "Y" against the Johns Hopkins Medics, according to Manager Allen, promises to be the most interesting game of the season. The University quint has put in many hours of hard work to perfect their organization and expect to make it more than interesting for the team from Baltimore, which has on its line-up three veterans in the basket ball world. One is a recent Yale and all-collegiate player, one has been chosen in the past for the all-southern team and the third, a former Princeton regular.

Unless there are at least 300 people at that game tomorrow night there will be a deficit at the end of the year and the manager will be forced to collect some or all of the guaranty fund that was subscribed at the beginning of the year.

George Washington again defeated the Maryland State quint at the "Y" last Saturday night by a score of 25 to 18. Both teams were very evenly matched and the game was interesting. At the same time Catholic University defeated Gallaudet, leaving the G. W. and C. U. teams to decide the title of the District Intercollegiate League in the last game on March 2. Maryland State played much better than usual and fought nip and tuck throughout the entire game. The first half ended with the Buff and Blue team leading Maryland State by a two-point margin. Maryland's score of 12 points was largely due to the accurate shooting of Berlin.

In the second half George Washington forged slowly ahead. It got several opportunities and made them all count. During the last half the team scored four goals from the field and three fouls against two goals from the field and two fouls of the Marylanders.

Erdall and White deserve much credit for the way in which they filled their positions. Halstead took Erdall's place about the middle of the second half, but was not in the game more than seven or eight minutes before he was sent off the floor on account of personal fouls. Roberts took his place.

So small a number of rooters turned out to see the game that the team was obliged to come out and give the college yell itself.

Summary and line-up:
G. W. U. Md. State.
Witt..... R. F. Elsmann
Erdall..... L. F. Berlin, Gardner
White..... C. Stone, Clendaniel
Boteler..... R. G. Morgan
Underwood..... L. G. Kann, Stevens
Lawson

Goals from floor—Elsman (3), Gardner, Stone, Witt (3), Erdall (2), White (2), Boteler. Goals from fouls—Berlin (8), Erdall (5); Referee—Colliflower. Umpire—Mr. Morse. Time—20-minute periods.

Jake Lenovitz, the cheer leader, has been present at every game this year to lead the "Hatchetites" in cheering, but when one has no one to lead, what good is a leader. Jake has lots of pep and is anxious to show it to anyone who will go to the games to help him. There are only two more games this year and a large student body should be present to give that ever-needed encouragement. The game on March 2 will decide who wins the championship of the Intercollegiate League. If you haven't given your team your support all along you should at least be at the "Y" tomorrow night and on the night of March 2 to help them in a brilliant wind-up.

All ticket sellers will please make returns immediately to Manager Allen, Ross White, Bill Lane, or Vic Kebler so that the finances can be straightened out.

SERVICE FLAG FOR G. W. MEDICAL SCHOOL

Medical Society Holds Regular Meeting—Two Case Reports and Letter From Former Member—Features of Evening.

At the last meeting of the G. W. U. Medical Society, held Saturday night at the Medical School, a committee was appointed to obtain a "Service Flag" in honor of the G. W. U. Medics, who are in the service. It is estimated that the flag will contain several hundred stars.

The secretary, Dr. Thos. Miller, read a very interesting letter from Dr. A. C. Gray, a former member of the society. Dr. Gray is a lieutenant in the Army Medical Corps, serving on detached duty with the Tenth Royal Warwickshire Regiment (B. E. F.). At the time the letter was written, (January 18) Dr. Gray had just been granted a furlough and was eating his much delayed Xmas dinner. He reported the excellent treatment at the hands of the English and stated that "American Medical officers are filling a gap here, which else would have been sorely felt."

Dr. Truman Abbe read a paper on (Continued on Page 2.)

MARSHAL ELECTION PROTEST OF NO AVAIL

By Vote of 4 to 3 Council Accepts Kayser's Report and Decides Against Recount.

The officio and ex-officio members of the Student Council gathered last Tuesday night at the A. & S. Building with the expectation of hearing a protest against the results of the recent Marshal election. They were not disappointed in any way, shape or form.

At the beginning of the meeting, Mr. Elmer Kayser, Graduate Manager of Student Activities, who had charge of the election, submitted his report to the Council, declaring Vic Kebler, Senior Marshal, and D. D. Shepard and H. C. Lowry second and third Marshals, as announced in the last issue of the Hatchet. At this time Eugene Underwood, who was expected to make the protest, had not arrived, and a motion was made and passed that the report of Mr. Kayser be accepted and the afore-mentioned men be declared elected.

After the usual routine of business had been conducted Mr. Underwood launched the first drive in his protest. As Mr. Kayser is not a regular member of the Council he left after his report had been duly accepted but was now requested to return in order that the Council might hear both sides fully. He complied with this request and Underwood then started in earnest.

The basis of his protest was on a difference of 13 votes between the number accorded Mr. Lowry and Mr. Shepard by Mr. Kayser and the number that he believed they should have after having received the results of a personal canvass in the Law School and the Dental School, using authorized lists for the purpose of obtaining the canvass.

Before he launched his formal protest Mr. Underwood mentioned the fact that he had grounds for protest in the question as to whether Mr. Kayser had a right to run the election. In answer to this Mr. Kayser cited cases of college elections when the Election Committee of the Council had delegated its powers to another, he stated that due publicity had been given to his taking charge of the election with no protest at the time, and presented a letter from the Chairman of the Faculty Committee of Student Activities to the effect, that no candidate for election as Marshal should in any way serve on (Continued on Page 4.)

"W" TO BE AWARDED TO BASKET BALL TEAM

Council to Make Plans for Public Presentation of Letters.

COMMITTEE REPORTS

At the last meeting of the Student Council Tuesday night a motion was passed that a "W" be awarded to those basket ball men who are eligible to receive letters. This motion clears up the question that was recently discussed in the Hatchet as to whether those eligible should receive a "W" or a "G W."

The eligibility of men to receive letters will be decided by the Council after receiving the report of the Athletic Committee, of which Vic Kebler is chairman.

The question was discussed as to the best way of awarding the letters to the basket ball men. Many suggestions were put forth by the members of the Council present, but no formal action was taken at that time. The Athletic Committee will look into the question and will probably make its report at the next meeting of the Council. Although it is a question as to the time and place of letter presentation the letters will be presented at a public meeting presided over by the President of the Council.

At this meeting Miss Umhau was appointed manager of Girls' Basket Ball to fill the place left vacant by Miss Davis and Miss Polly Voorhees was appointed assistant manager.

The rest of the time of the meeting with the exception of the Marshal protest was taken up with reports of the various committees.

Charles Allen, Manager of Basket Ball, made a strong plea that the members of the Council talk up the coming games with the Hopkins Medics and the Catholic University in the hopes that a large body of students be present at both games. "Unless there are three hundred people at the Hopkins game," said the manager, "I might be forced to draw on the bas- (Continued on Page 4.)

COUNCIL DANCE TO DECREASE DEFICIT

Second of Series at Cairo, March 1—Tickets \$1.

Tickets have recently been put on sale for the second of the series of Student Council dances, which will be held at the Cairo one week from tonight from 9 to 12. The dance will be informal like the last one, and the same music will furnish the inspiration for the dancers. The price is also an informal one, being one dollar a couple.

The purpose for giving the dances, as announced just prior to the first of the series, which was held on November 24, is a double one. From the financial viewpoint it is the intention made from the dance to the athletic deficit. This was done with the profits of the Council to apply all profits of the last dance, which amounted to fifty dollars.

The other purpose, and the more important of the two, is to get the students of the various departments of the University together so that they may become acquainted and learn to co-operate in working for a better George Washington. It is a recognized fact that we labor under a handicap by not being in a somewhat isolated position, always conducive to college spirit, and these events are designed to take the place, to a certain extent, of that isolation.

Everyone will be there, and tickets can be secured from most anyone of the habitual hall loafers, and others. In Columbian College from George English, Oscar Styron, Cameron Burton; in the College of Engineering from Harold Dutton, Alvin Biggs; in the Law School from Earl Van Wagener; in the Medical School from Vail Minnick and Jack Lyons.

DEFICIT CAMPAIGN COMMITTEE APPOINTED

Whirlwind Campaign Expected to Wipe Out Deficit in Short Order.

DEFICIT IS NOW \$286.50

KEBLER URGES ALL TO MAKE CONTRIBUTIONS IMMEDIATELY—COUNCIL GIVES \$5.

The campaign to wipe out the athletic deficit is now on in full. Because the Students' Friendship War Fund campaign interfered last week, the committee in charge allowed the deficit campaign to lag, but they are making things move now in a way that should completely wipe out the deficit in a very short time.

Tuesday afternoon the committee held a meeting in the Assembly Hall of the Arts and Sciences Department and formulated plans for the collection of the money. A large committee, composed of sixteen members, each one of whom is authorized to solicit contributions, is the plan of Victor Kebler, chairman. At present, twelve members have been appointed, eight women, two from each sorority, and four men.

The committee so far selected is as follows: Victor Kebler, chairman; Peter J. Donk, sub-chairman; Clara Barclay, secretary; Elmer L. Kayser, treasurer; Edna Tucker, Nell Stanton, Charlotte Stimpson, Elsie Broward, Mildred Bennetts, Annie Cardwell, Polly Voorhees and Eugene Cole. These and the other four men to be named are the only authorized collectors.

The Student Council, at its meeting Tuesday night, appropriated five dollars (Continued on Page 3.)

PRESIDENT'S REPORT GIVES AVERAGES

Emphasizes the Number of Men in War Service and Large Registration.

Admiral Stockton has recently issued his report for the scholastic year of 1916-1917, which shows the remarkable spirit of the G. W. U. men and the Faculty in connection with the war, the high registration, and the average scholastic standing of the men, the women, and the fraternities and the non-fraternity students of the University.

An interesting feature of the report is the comparison of the scholastic averages of the students. The general averages of all students was 84.8; of all men, 83.5; of all women, 86.9. The evening students, both men and women, have a higher average.

The average for fraternity men falls 1.6 below the general average of the men, and the average for fraternity women falls also 1.6 below the general average of the women. The average of fraternity men is below that of non-fraternity men, and the average of non-fraternity men is below that of non-fraternity women. The average of all men is 4.5 below that of all women.

The fraternity ratings are as follows:

Men's Fraternities.	
Phi Alpha	88.2
Sigma Alpha Epsilon	86.1
Kappa Alpha	84.8
Delta Tau Delta	83.9
Sigma Chi	83.1
Theta Delta Chi	81.9
Sigma Nu	80.1
Phi Sigma Kappa	78.9
Kappa Sigma	77.7
Sigma Phi Epsilon	77.4

DEGREES FOR NINETEEN STUDENTS GIVEN TODAY

Convocation Exercises to Be Held in A. and S. Chapel at 11 A. M.

ALL STUDENTS INVITED

ADDRESS BY MR. JAMES P. MUNROE—PRESIDENT STOCKTON WILL PRESIDE AND CONFER DEGREES.

Nineteen students of the University will receive their degrees at the Mid-Year Convocation Exercises to be held today in the Chapel of the Arts and Sciences Building, 2023 G street, at 11 A. M. The exercises will be presided over by Pres. Stockton, who will confer the degrees and give a short address to the students.

The invocation will be delivered by the Rev. David Rausom Covell of Christ Church. The principal address will be given by Mr. James Phinney Munroe, Vice-Chairman of the Board of Vocational Education, on the subject, "What War Means to Education."

All candidates for degrees will assemble in the library where the gowning will take place and the procession formed to march to the Chapel. The Trustees and Faculty will assemble in Dean Hodgkins' room on the first floor of 2023 G street at 10:30 to form their procession. The whole procession will be under the direction of Prof. L. R. Alden, who will be assisted by the three Senior Marshals.

The student body, alumni, and all persons who are interested in the University are most cordially invited to attend the exercises. It is the hope of Pres. Stockton that a large gathering will be present.

Those who will receive degrees today are:

COLUMBIAN COLLEGE.

Bachelor of Arts:

Sum Nung Au-Young, China.
Peter Hildner, New York.
George Henry Partridge, D. C.
Talma L. Smith, Texas.
Warren Jennison Willis, Minn.
Harry Kryger Harring, D. C.
Margaret Helena Harvey, D. C.
Eleanor Winifred Stanton, R. I.
Elizabeth Alleen Davis, D. C.

TEACHERS' COLLEGE.

Bachelor of Arts and Diploma in Education:

Mary Evelyn Steger, D. C.

LAW SCHOOL.

Bachelor of Laws:

Andrew Jackson Banks, Ohio.
Ernest L. Chamberlain, Kansas.
Harry Stambaugh, Demaree, Penn.
Luther H. Heist, Penn.
Charles Orr Marshall, (With Distinction), Neb.
Samuel John Flickinger, New Jersey.
Laura Ellen Volstead, D. C.
Robert Clement Watson, D. C.

SCHOOL OF GRADUATE STUDIES.

Mechanical Engineer:

Ernest Dean Walen, Mass.

The Mid-Year Convocation Sermon was delivered last Sunday at the Gunton Temple Memorial by Rev. D. P. Birnie at 4 P. M. The gowning took place in the Chapel opposite the church where the procession was formed by Prof. Alden assisted by the Senior Marshals. All those who will receive degrees today or at the June Convocation were present in the academic cap and gown.

The sermon preached by Dr. Birnie was one of unusual merit and was well attended. Pres. Stockton presided.

DR. COLLIER GUEST AT COLUMBIAN DEBATING SOCIETY BANQUET

Speeches Follow Dinner at Dewey Hotel.

The annual banquet of the Columbian Debating Society, held at the Dewey Hotel last Saturday evening, was a complete success from all viewpoints. Dean and Mrs. Fersen, and Dr. and Mrs. Collier of the Law School, were the guests of honor.

At the conclusion of the dinner short speeches were made by the following:

H. S. Taylor, retiring President, subject: "A Prophecy." Lisle Alverson, Ensign, U. S. N. R. F., subject: "The War and Its Effect Upon Our Student Body." Miss Eddy, subject: "Breaking the Ice." Gilbert L. Hall, representative on Council, subject: "The Spirit of the Times." Dean Merton L. Ferson, subject: "College Days." Herbert Cornell, Critic, past and present, subject: "Debates—Gone and to Come." Miss Barbour, 1st Lady Secretary. Prof. Collier, subject: "The Benefit of Debating." Neil E. Larkin, past Critic, subject: "Reminiscences."

FRIENDSHIP FUND AMOUNTS TO \$123.34

The Student Friendship Fund Tag Day for the benefit of the Prison War Relief resulted in a total sum of \$123.34. The tags were sold on both Friday and Saturday of last week by the girls of the University. Dean Hodgkins and Professor Croissant, who were interested in the campaign, said that they thought that fifty dollars would be the greatest possible sum which could be collected and they were very much pleased at the result.

Although this sum does not come up to the amount given by other Universities it is considered worth while considering the fact that G. W. U. has no facilities for large student assemblies where such campaigns may be run.

Miss Annie Cardwell, who with a Committee from the Student Council with Peter Donk as Chairman, said that she appreciated the interest and co-operation that was shown by both the men and the women in their class room speeches and in selling the tags.

GIRLS PLAY EXHIBITION GAME AT "Y"

TWO GAMES PLANNED WITH GALLAUDET.

"Will you girls give us a game on New Year's afternoon, 1919?" asked Mr. Beckett of the Y. M. C. A. This shows how well he liked the exhibition game the G. W. U. girls played at the Valentine party given by the Y. M. for the Y. W. C. A. and men in uniform last Thursday night.

The plan was to have two G. W. teams but when the time came to play there were just enough players for a team and a half. Epiphany was called and Miss Whiting, their coach, hustled her girls into skirts and coats, gathered up enough extra things to clothe one G. W. player who had come partially prepared, sprinted up the Avenue from their G street gym and gave our girls one of the best games they have had this season.

The score ended tie, 11-11, a most satisfactory finish for an exhibition game. The line-up was as follows:

G. W. U. Epiphany. Reh, r f, Whiting. Thomas, l f, Pickell. Tucker, s c, Ollin. Gardner, c, McCaffrey. Newton, l g, B. VanAntwerp. Parker, r g, P. Van Antwerp. Substitutions: McCaffrey for Parker; Oberlin for McCaffrey.

Two games have been arranged with Gallaudet for March 9th and 16th.

UNIVERSITY SENDS MESSAGE TO STUDENT MEETING AT PARIS

On the 24th of February a mass meeting will be held in the grand amphitheatre at the Sorbonne in honor of the American students who have gone to France. The students in all the universities and colleges included in the American University Union in Europe will join in a message to be sent to Paris to the students who will gather there for this celebration.

George Washington's message has already been wired to the secretary of the American University in Europe, at Harvard College, Cambridge, Mass., expressing the best wishes of the University to the students who will gather together in Paris.

Tomorrow night the G. W. team will go up against the Hopkins Medics. It will be a fast, hard-fought game. Be there, and bring a friend and a friend's friend.

COMMENCEMENTS IN FUTURE GOVERNED BY TRUSTEES RESOLUTIONS

Trustees Draw Up Plans for Conducting Exercises Beginning June, 1918.

At the Board of Trustees meeting last Tuesday night the following action was taken on the plan for conducting Commencements in the future:

Resolved, That prior to the Commencement in June, 1918, and prior to all Commencements thereafter, "it shall be the duty of the Secretary of the University to send special invitations in the name of the Board of Trustees and President of the University to the following described persons to participate in the Academic Procession:

1. Any person who shall be the President-Elect of the University;

2. Any person who shall be an ex-President of the University, or an ex-President pro tempore of the University;

3. A limited number of persons of distinction to be designated either by the President or by the Board of Trustees as guests of honor.

Resolved, That prior to the Commencement in June, 1918, and prior to all Commencements thereafter, it shall be the duty of the Secretary, by notice published in the press, or otherwise as directed by the President of the University, to issue a general invitation, in the name of the Board of Trustees and President of the University, to all persons who have received an academic or honorary degree from Columbian College, Columbian University or George Washington University, to participate in the Academic Procession.

Resolved, That the order of the Academic Procession shall be as follows:

1. The Chairman of the Board of Trustees and the President of the University;

2. The President-elect of the University, whenever there shall be both a President and a President-Elect, and the Vice-Chairman.

3. The ex-Presidents of the University and the ex-Presidents pro tempore of the University;

4. The guests of the University, including those who are to receive honorary degrees;

5. The holders of Honorary degrees conferred by the University;

6. The Trustees of the University (other than the Chairman and the President of the University) the order of seniority being observed, determined by consecutive years of service, those equal in such seniority taking position alphabetically;

7. The Faculties of the University in the order in which they are arranged in the catalogue; the Dean and Professors Emeriti of each Faculty preceding the other members of the Faculty, and otherwise precedence in each Faculty being determined by rank and seniority of service;

8. The alumni of the University, grouped by classes in order of seniority;

9. The graduating class of the students, arranged and directed by order of the President of the University;

Resolved, That in the next and subsequent catalogues there shall be included in the faculty lists the names of any person who, having served as professor in the University, and having ended his services therein, shall have been recognized and designated by the Board of Trustees as Professor Emeritus.

HOPE TO ARRANGE FOR LECTURE BY ITALIAN OFFICER

Pres. Stockton has telegraphed to Dr. Bumpus, Pres. of Tufts College, requesting that Lt. Bruno Roselli, who is here for the purpose of lecturing to the people in this country on the seriousness of the task before them in this war, come to Washington to give his talk under the auspices of the George Washington University.

In a letter received recently by Pres. Stockton from Pres. Bumpus the latter says: "Lt. Roselli has recently come from Italy with a story which he recites in a most straightforward way, but which drives home with telling effect the seriousness of the task that this nation has undertaken, the general lack of co-ordination, national and international, that has characterized the efforts of the Allies, and that has led to the series of disasters with which we are familiar and which will be decisive unless we can bring the American people to realize the inevitable consequences of delay."

The letter from Pres. Bumpus was delayed in the mails, but Pres. Stockton telegraphed his answer immediately and now is waiting to hear whether Lt. Roselli will lecture under the auspices of the University.

CALENDAR

Friday, February 22—Mid-year Convocation Exercises.
Saturday, February 23—Game with Hopkins at "Y."
Wednesday, February 28—Miss Kinney's Chapel for Girls.
Friday, March 1—Second Student Council Dance.
Saturday, March 2—Game with C. U. at "Y."

Personals

COLUMBIAN COLLEGE.

Edgar A. Perkins, an old G. W. student, dropped in from New York to say hello to the old school and some old friends.

Embryo aviators, etc., have worn a path on the fire escape to the roof to watch the aeroplane maneuvers.

Simpson, formerly of Western, who joined our ranks in February, has been ill for a few days.

R. P. Schmell, who has been ill at Walter Reed, is now on the road to recovery and will be discharged soon.

Francis Walters, who left school to join the army, is awaiting orders to go across. He is at Allentown with an Ambulance Unit.

COLLEGE OF ENGINEERING.

Prof. Johnson and his class in Marine Engineering are busy overhauling the 100 H.P. Eddystone-Glove Kerosene Engine which was presented to the University by the Navy Department, with a view toward finding what repair parts are needed.

The new Venturi meter has arrived and will be installed in the new hydraulic laboratory system which was put in last year. The $\frac{3}{4} \times \frac{3}{4}$ meter formerly used for measuring water has been installed in the air line and a calibrated manometer has been procured for use with it.

On Feb. 22 an all-day boiler test was run and on the same day tests were conducted on the White and Middleton Gas Engine.

MEDICAL SCHOOL.

The Medical fraternities have withdrawn from the "Interfraternity Association," and formed a Medical interfraternity organization. It has the sanction of Dean Borden and has made a flying start.

The Medical School has beaten all other branches of the University in getting a Service Flag. The Medical Society has voted one and it will be decorating the front of our "marble hall" early next week.

The "Chicken Pox Gang" is back and looking well.

"Hirst" Hayes, '20, is married. At least so he says.

Dr. Hunter is walking around with a big grin these days. The cause of the grin weighs eight and a half pounds, and "she" is a week old today.

At the outbreak of the war almost the whole graduating class of the Medical School and a large number of the graduating class of the Dental School went into the military service. The Law School and Columbian College have also contributed heavily in men, all this notwithstanding that "our student body does not stand detached from the community as in other cases, and hence is not subject to the impulses which result thereby in a community of youths."

The faculty also has been similarly affected by the war and at the present time twenty-five members of our faculty are in active service of some sort.

The maximum registration for the year was the largest in the history of the University, and the faculty is now composed of 252 members.

Admiral Stockton gives a very clear statement of the needs of the University in buildings and equipment, and in the steps that have been taken to secure them.

TWO G. W. STUDENTS TO ENTER HOPKINS MEET

Altho George Washington University will have no track team this year, two of the members of the relay team that defeated Carlisle last year in the relay held at the G. W. U. track meet, will go to Baltimore to run in the annual meet of the John Hopkins University tomorrow night.

Ray Harsh, Eng. '19, captain of last year's team, will run in the open half-mile and Howard Scott, C. C. '18, will enter the 220 and 440 open dashes. They will both run under the colors of the University.

INTERFRATERNITY ASSOCIATION

At the last meeting of the Interfraternity Association held at the Sigma Alpha Epsilon House it was decided that the annual Interfraternity Prom, not be held this year due to the unusual conditions.

Henry Ravenel, delegate from Theta Delta Chi, was elected vice-president and treasurer to take the place of Robert Ash, who resigned on account of the press of work.

John Paul Ernest was appointed chairman of a committee to draw up resolutions urging the faculty of the University to exempt from examinations all men who attain an average of 85% or over in any course.

The question of a smoker was deferred till the next meeting when plans will be fully discussed and arrangements started.

The next meeting will be held at the Phi Sigma Kappa House at 10 o'clock next Sunday.

PHI SIGMA KAPPA.

Brother Bunny Hoer has left for active service. He is in the regular army.

Brother Sid Forbes, also in the regular army, is in active service in France.

Brother Garrison of Dartmouth, who is living at the Chapter House, is a Second Lieutenant in the Engineering Bureau of the Ordnance Department.

Pledge Borum has moved into the Chapter House.

Brother Stan King, of Union University, who went home on furlough, has returned.

Brother Al Kenner, who received his Majority by a special order of General Pershing, is one of the youngest Majors in the service. He was one of the class of 1912.

Brother Joe Batt has just been promoted from Second to First Lieutenant.

Brother Sturtevant received his commission this week as Second Lieutenant in the Ordnance.

The Chapter holds a dance tonight to brighten up the spirits of the busy students.

SIGMA ALPHA EPSILON.

The smoker last Saturday was an event which is destined to be a joy forever; songs and stories were the main attractions of the evening and a general feeling of good will prevailed everywhere. Professor Earnest of the Law School gave us an informal talk on the relation between the fraternities and the University and on the necessity of co-operation between the Greeks and the faculty.

We take pleasure in announcing the pledging of Thomas H. Durham of Virginia, Young of Georgia Tech, and Noble Simpson of Washington, D. C.

Altho it will not be as elaborate as those of former years, we are all eagerly looking forward to the dance to be given on Washington's Birthday.

THETA DELTA CHI.

Harry Hough left last Saturday for Boston Tech, where he expects to take the ground course at the Naval Aviation School.

The dance held last night at the House was well attended and greatly enjoyed by all.

The annual Theta Delta Chi Founders' Corporation dinner will be held tomorrow night in New York and all brothers in the service have been invited as the guests of the President of the Corporation. A large delegation of Chi Deuteron men will attend.

KAPPA ALPHA.

Kappa Alpha announces the pledging of Travis Fletcher (Med.).

The chapter will give a Geo. Washington Dance at the house on Saturday, Feb. 23, 1918, at which the service flag will be formally dedicated.

The Deans of the College were entertained at luncheon in the room last week.

Zeta entertained at Miss Henriette Brumm's home Saturday, February 9. Dinner was followed by a clever vaudeville program.

The active chapter will entertain the pledges at a tea dance at the Sigma Nu house February 22, from 4 to 7.

SPHINX HONOR SOCIETY ELECTS A NEW MEMBER

Miss Ruth Bennet was elected to the Sphinx Honor Society at their meeting Wednesday evening, February 13. The number of members is restricted to seven so when Miss Elizabeth Davis graduated with the February class a vacancy was left and this will be filled by Miss Bennet.

The qualifications necessary for eligibility to Sphinx are high scholarship, unusual interest in school activities, executive ability and popularity. Miss Ruth Bennet is a member of the class of 1919. Her scholastic record has been unusually high, having more than a majority of A's and B's. She has been a member of the Women's University Club all three years and is treasurer of that organization this year. She was chairman of the room committee and had charge of the furnishings and decorations when the W. U. C. rooms were given to the girls by the University last Spring. She has been active in planning and serving the Engineering suppers and supporting any activity of school interest. The unusually large number of members of the W. U. C. this year is partly due to her interest and enthusiastic work.

SHOW GREAT INTEREST IN RODEHEAVER TALK

At a meeting attended by 150 persons in the Medical School last Tuesday at noon, more than a dozen of those present raised their hands in response to an appeal by Homer A. Rodeheaver, of the Billy Sunday party, calling on them to declare themselves as interested in "turning over a new leaf" and living better lives.

Mr. Rodeheaver was introduced by Mr. Ramsey of the Medical School, and after several solos on his famous trombone, "Rodey" accompanied with the trombone Mr. George Brewster, soloist and pianist of the party, in a tenor solo. This was followed by a brief heart-to-heart talk by Rodeheaver on the line of personal religion, during which he sang as a solo a song which he stated had been a source of great inspiration to him through his life. The meeting was closed with prayer.

All through the meeting all those present gave the closest attention to the speaker and manifested their great interest in the subject under discussion. Not only were there present Medical and Dental students, but also students from the Arts and Sciences Department and the Veterinary School and a few outsiders.

"Early Potts Disease," accompanied by several case reports. He emphasized the necessity for early diagnosis, citing a report that in seventeen cases of Potts' disease, at the Mass. General Hospital (at autopsy), less than 25% had been correctly diagnosed before death. He then stated the symptoms of the disease, and gave their manner of differentiation, using the X-ray as the best method of differential diagnosis. Dr. Abbe exhibited several plates (X-ray) showing this disease. He accredited many of the cases where the disease was overlooked to the fact that the spine was overlooked in a physical examination. Much discussion followed the paper, and the work of Dr. Abbe was highly commended.

Dr. J. Thurston Wolfe reported on Operations for Circumcision. The operation is a departure from the usual technique, and commendable for its simplicity. Dr. Wolfe exhibited several sketches illustrating the technique of his operation in detail, and cited cases which proved the dependency of the operation for good results.

Dr. Roystre, of Richmond, Va., will address the society at the next meeting, on "Care of Premature Infants." A large outside attendance is expected as Dr. Roystre is a Pediatrician of some note, and the subject one of great interest.

DEFICIT CAMPAIGN COMMITTEE APPOINTED

lars out of its small treasury to the fund, and each councilman was urged to do his utmost to stimulate contributions.

The committee is most optimistic about the campaign and feels sure that the deficit will vanish in no time. Since the whirlwind beginning was made, contributions have been flying in at a rapid rate.

In addition to the individual contributions, the committee can rely on the proceeds of the Freshman Prom, amounting to between \$30 and \$40 dollars, the proceeds of the three remaining Council Dances, which can be estimated at \$100, and perhaps part of the proceeds of the spring play, which, although it has not been definitely decided on, is practically assured by members of the Players.

The support of the fraternities has been sought, the committee having written to each one, general and professional, asking for contributions. It is hoped that they will lend their support and respond generously.

Victor Kebler, chairman of the committee, urges that everybody contribute, even if it is only 10 cents. All checks should be made payable to V. L. Kebler, or Elmer Kayser.

Below is a complete list of all the contributions to date:

Deficit at opening of the campaign	\$360.00
Proceeds from first Council Dance	\$50.00
In athletic treasury	2.93
President Stockton	5.00
Elmer L. Kayser	1.00
Prof. Croissant	1.00
J. N. Taylor	1.00
E. A. Perkins	.25
Watson Davis	1.07
Charles Boteler	1.00
J. N. Garrison	2.00
V. L. Kebler	1.00
Clara Barclay	1.00
Polly Voorhees	.50
Student Council	5.00
Ruth Bennett	.25
Eugene Underwood	.50
Total	73.50
Remaining deficit	\$286.50

HOYT AND DENIT TO DEBATE AGAINST WASHINGTON AND LEE

At the tryouts for the team to represent G. W. U. against Washington and Lee, held by the Debating Council, resulted in the choice of Messrs. Hoyt and Denit. The University will uphold the negative of the question, "That governmental control of the railroads should be continued permanently after the war."

The members of the team to debate against Lafayette in April are hard at work and a hotly contested debate is anticipated both here and at Easton.

A University Service Flag

The Medical Society at the last meeting appointed a committee to get a service flag in honor of the graduates of the Medical School who have entered the service.

This step is a very commendable one and the Society deserves the approbation of the entire school for their action. The Hatchet would like to take this opportunity to congratulate them.

The Medical School by doing this should be an inspiration to the rest of the University to get a flag for those who have gone from the University proper. There must be several hundred former G. W. students "Over There" and "Over Here." These students would like to think that their Alma Mater has publicly recognized their sacrifices by getting a flag with a star for each one. If this flag had enough stars for the entire number number of men in the departments outside of the Medical School there should be one for every department. If the flag is for the Department of Arts and Sciences only it should be hung from the A. & S. Building or from the administration building. If a flag was gotten for the A. & S. Department only, the other departments should get their flags to be hung from their buildings. The best way to purchase this flag is a matter of personal opinion. There are two ways open; one that a collection be taken among the students or that the students have a tag day for that purpose and the other that the flag be bought by the University.

The first method would not have a great chance for success as the students are continually being asked for contributions of one sort or another. The second way would be sure of success and a flag bought by the University would be an official flag and would be appreciated more because it was official by all who are in the service and hear of it.

Let's not delay too long about this matter but put it thru at once. The flag wouldn't cost much and the cost would be nothing compared to the sacrifices which are being made by those for whom the flag would stand.

Give Today Towards
The Deficit Fund

The Deficit Campaign Fund Committee has been appointed and will start immediately on a whirlwind campaign to reduce that deficit, that is a stigma to the University's good name, to little or nothing and if possible to wipe out every penny of it.

So far the contributions have been coming in in a highly satisfactory manner. It looks at present as if the students were going to arise to the occasion nobly. But to make this thing a success the contributions must continue to pour in, in larger amounts, and in a steady flow until the last cent has been wiped off the books.

It isn't very much to ask that each student give so small a sum as 10 cents to the fund, and if everyone gives this 10 cents the amount made will be entirely sufficient. If everyone does not, some who are always at the front in student affairs will have to give more than 10 cents. Why not deny yourself a pack of cigarettes, a cigar, or a soda or any small thing that is really injurious and give that money to this fund.

Appeals have been made in the past and have been highly successful. It is up to everyone of us to make this campaign just as successful. Get your name down on the list of contributors and tell everyone you have done it. If you do it your friends will be ashamed not to.

Manager Allen promises that tomorrow night's game at the Y. M. C. A. against the Hopkins Medics will be the most interesting game of the year. He has also stated, officially and unofficially, that unless there are three hundred people there, a deficit will result at the end of the year, and he will be forced to call on the guaranty fund. Be one of the three hundred tomorrow night.

WATSON DAVIS DOES
HIS BIT TOWARD FUND

To the Editors of the Hatchet:
Enclosed is my check for \$1.07, which will reduce the athletic deficit to an even number of dollars.

Let us all hope that 298 loyal students will quickly hand in dollar bills and wipe the athletic deficit off the record of the University, never to appear again. It is only right that the student body enable President Stockton to hand over the reins of the University to Dr. Collier as free from the entanglement of an athletic debt, as it is free from financial troubles administratively.

It is not a question of how the debt was contracted, or who was to blame. The money is owed in the name of the student body of George Washington University, and must be paid. The present must pay, the future must be made to profit by it, and that part of the past must be buried.

Let us hope that the graduate manager and the Council, with the help of the Hatchet, will push the campaign vigorously to a successful conclusion.

Cordially,

WATSON DAVIS,

Editor The Hatchet, 1915-16, 1916-17.

SOUR GRAPES

Why can't I be a bold bad "Vamp,"
Like most girls of today.
And do some wild and daring deeds,
While conscience is away.

Somehow I wouldn't have the nerve,
To hold my head upright,
If I did half what some girls do
In just a single night.

Some girls can pull such things right thru,
And never get in duteh.
They tell me I should go ahead,
That I am missing much.

But I am sure that in the end,
I will be glad to say,
That I have been a little better
THAN MOST GIRLS OF TODAY.

FORMER LAW STUDENT
REVALIDATES DIPLOMA
IN RIO DE JANEIRO

Word has been received that Dr. Richard P. Momson, Law '12, American Vice-Consul at Rio de Janeiro, has revalidated his diploma of Bachelor of Laws conferred upon him in the United States at the George Washington Law School.

The revalidation took place before the faculty of the Juridical and Social Sciences of Rio de Janeiro in the presence of a large number of priests and Brazilian Law Students.

Dr. Momson is a member of the Kappa Sigma Fraternity and was a marshal of the class of 1912 at the Law School. He has been the Vice-Consul at Rio de Janeiro for the past five years and in 1916 made a trip, under the auspices of the American Chamber of Commerce, in the principal commercial and industrial centers of the United States to assist in foreign trade extension.

Be at the game tomorrow night at the Y. M. C. A. to help the team financially and morally. The team needs your backing and the manager needs your financial support. If you haven't a ticket, the cost will be only 25 cents.

MARSHAL ELECTION
PROTESTED

(Continued from Page 1.)
The committee conducting that election. As Mr. Keblor was a candidate and Chairman of the Election Committee he had, upon receipt of this note, turned the election over to Mr. Kayser.

But as he stated that he would not use the validity of Mr. Kayser's right to conduct the election Mr. Underwood did not continue the discussion on that point, but shifted back to the main point of contention as to the number of votes Lowry and Shepard received according to his canvas, and the number that Mr. Kayser had accorded them. In checking up the election results it seems that Mr. Kayser had used lists of the Senior Class furnished him by the Cherry Tree, affirming that such lists had always been used for the purpose. He stated that as far as he knew these lists were up to date.

In answer to this Mr. Underwood stated that as these lists had been made before Xmas that they were not up to date as changes are being made continuously in the Senior classes. In his personal canvass he had used a list furnished by the Cherry Tree in the Law School and a list given him within the past week by the Dean of the Dental School in the Dental School. On the recency of this list he based its correctness over the list of the Cherry Tree.

After long and fruitless discussion with seemingly no victory on either side Mr. Underwood demanded a recount or a statement of the votes thrown out with reasons for the action. As the report of Mr. Kayser had been accepted earlier in the evening a recount could not be made unless that acceptance was revoked.

Mr. Underwood then moved: "That the acceptance of Mr. Kayser's report on the election be revoked and that a recount of the ballots be made

in the presence of the Pres. of the Council or those delegated by him." The motion was seconded by Miss Moran.

Again the members of the Council indulged in long and fruitless discussion on technicalities, sometimes going far from the point in question, until vigorous calls were made for the Pres. to put the question.

On Mr. Underwood's request the vote was taken in the form of a roll call and resulted in the loss of the motion, four members voting against, and three voting for. The roll call with the results were as follows:

Underwood, yes.

Moran, yes.

Biggs, no.

Walters, yes.

McGrew, (by proxy), no.

Whyte, no.

Keblor, no.

The protest thruout was conducted in a quiet manner and the answer by Mr. Kayser in a like manner. It was very pleasing to note thruout that the members involved omitted any personal feelings and the discussion was very gratifying to those who were present more as spectators than anything else.

Eugene Underwood reported on the plans of the Student Council Dance to be held March 1 and the success of the Freshman Prom. As the returns have not been made on the Prom by the Executive Chairman of the Prom Committee, a complete report could not be made.

The next meeting of the Council will be held the second Tuesday in March as provided for by the Constitution.

"OVER THERE"

This letter was written to the members of the Kappa Psi who have allowed its publication:

Dear Brothers:

We received your cigars and cigarettes and must say they were greatly appreciated. You can't appreciate good American tobacco, till you put some of this awful stuff in your mouth that you get around here. No use trying to describe it, because there is nothing in America so horrible that I could compare it with.

Yes, sometimes I think I would like to be back in school, but Fred Reed and I came over here to wind up this job, consequently might as well do it and be through with it for once and all.

Have been hitting some rough places since landing but we have a few more stops to make that will be worse than the past, I imagine.

It has been snowing for a month and terribly cold. We are kept well supplied with warm clothes so that the weather doesn't make a whole lot of difference.

Am not with the D. C. Field Hospital any more but have been transferred to Headquarters. Like it very well but the biggest objection here is that I never get a scalpel in my hands.

Have found two Kappa Psis over here and a boy with whom I graduated in Pharmacy is in my company.

Would like to help initiate those "Goats." Give it to them for me.
